Explanation - This amendment adds \$1,095,000 federal special revenue to the existing \$305,000 federal special revenue for the Secretary of State. The additional funding is related to the unspent principle balance and interest from the Help America Vote Act of 2002. The current funding in HB 2 is only related to interest that was expected to be expended in the 2009 biennium. The amendment also moves all authority into FY 2010.
